

People born in late January or Early February: Figuring out your GUA/KUA number

We use the Chinese Solar Calendar to determine Gua numbers. The Solar Calendar follows the cycles of the sun. If you were born in January or February, you need to look up your Gua number on this table, as you might actually be the prior year on the Chinese calendar.

The Chinese solar year begins on February 4th or 5th each year at the midpoint between the Winter Solstice and the Spring Equinox.
